Barbara Bush (Wife) - victim;  
George Bush (President) - victim;  
12/10/91;  
AFO- (Crimes Against Family Members -CAFM);  
OO: SC

On 12/10/91, SA [redacted] was contacted by the Fairfield Department of Public Safety (FDPS), Fairfield, California, concerning a person, who had made a threat against the president's wife, Barbara Bush.

b6  
b7C

[redacted] Dispatcher, FDPS, had received approx. six or seven telephone calls at FDPS dispatch. A female caller, on each call, had said "Tell George Bush that his wife is going to die!" [redacted] said that these calls were between 4:15-4:30 p.m. [redacted] contacted the Pacific Bell (PB) telephone company in an attempt to identify where the telephone calls were originating from.

The PB operator said that the person was calling from 427-0804 and 427-0805, which were a non-coin telephone. This meant that the person was not using a pay telephone. [redacted] advised that the caller sounded possibly like a black female, late 20's to early 30's, sluggish voice as if the person was high on drugs and sounded "crazy". [redacted] advised that the FDPS was not doing anything on the calls but wanted the FBI to know about what was happening.

A criss/cross check was made on the two phone numbers with negative results. SA [ ] called the 427-0804 phone number and spoke to the Motel 6, front desk clerk. The clerk said that the Motel 6 was located on Megellan Road in Fairfield. The clerk advised that their telephone number was 427-0800 but they had numerous telephones in the individual motel rooms and each phone had a different phone number.

b6  
b7C

An attempt was made to contact the Secret Service in Sacramento to inform them of the threat. A message was left with their answering service, who advised that she would contact an Agent.

SA [ ] went to the Motel 6 at 4353 Megellan Road and contacted the Motel Manager. [ ] advised that they have about 50 telephone numbers for the Motel. These numbers are not assigned to any telephone and works on a rotary type base through PB. They could not tell which number was used by which room. [ ] advised that all local phone calls are free and only toll calls would have a record as to what room the calls came from. The calls to the FDPS dispatcher were local calls.

b6  
b7C

[ ] was given the description of the possible caller. [ ] advised that in room #231, they have a black female that has been making constant calls to the FDPS. [ ] said that officers of FDPS had already been at room #231 at about 6:30 p.m. due to a call from the female. [ ] said that the female does seem to be mentally incompetent due to her actions and behavior. The FDPS officers had advised him that they could not take her away unless she was a threat to herself or others. [ ] clerk, also advised that she had received a call from the female's doctor in San Diego, California, who advised her that [ ] was mentally unstable. [ ] did not know who the person was that called and could not remember the exact date.

b6  
b7C

A check was made of the Motel 6 room slips and it showed that #231 was being used by [ ] San Diego, CA. with license [ ] She was described, by the motel personnel, as a black female, 50 years plus, 5'3-4" tall, 100-110 pounds, thin build, with reddish-blond hair.

b6  
b7C

SA [ ] contacted the FDPS and Lieutenant [ ] responded to the Motel 6. [ ] advised that his officers and himself had spoken to the female, in room #231, on a few occasions. [ ] said that on every visit to the female made like she could not speak English and started speaking fast rate. She sounded as if she was speaking Spanish. [ ] said that the female appeared to be mentally unstable but they could not take her to mental health unless she was a danger to herself or others. I informed [ ] that I wanted to attempt to interview the female concerning the threats. We had no evidence other than her possibly matching the description of the caller by

b6  
b7C

the FDPS dispatcher.

SA [ ] and Lt. [ ] went to #231 and knocked on the door. A middle-aged female responded to the knocks. SA [ ] identified himself by use of his credentials and verbally saying Special Agent with the FBI. The female was advised to why the FBI and police was there. The female allowed them into her hotel room. The female provided a California Driver's license [ ] which identified her as [ ] [ ] was advised that someone had called the FDPS dispatcher and had made threatening comments toward the President's wife, Barbara Bush. [ ] denied that she had made any telephone calls and said that she had been sleeping. (The motel manager had told us that [ ] had been using her phone before the FBI arrival.)

b6  
b7C

[ ] then said that Khadafi would get SA [ ] and Lt. [ ] and that they would be in trouble. She said that she was from Egypt and then started speaking in gibberish which was consistent with what Lt. [ ] had said. [ ] would not provide any information on herself and became argumentive and defensive. [ ] said that she was not part of the USA and that everyone was going to die. She did not care about the USA, the government or the people. She kept on talking about Egypt and her dislike for America. She would speak English then start speaking in gibberish. [ ] was informed that if it was her or someone else who made the telephone calls, they could be arrested for threatening the President or his family. [ ] constantly denied making any telephone calls. [ ] was very defensive and loud. She then asked us to leave her room as we were already leaving.

b6  
b7C

It appears that [ ] is somewhat mentally unstable. SA [ ] checked with the Suisun City Police Department, Suisun, Ca. and with FDPS and found that [ ] had numerous 5150 (mentally unstable or incompetent) contacts. SA [ ] of the Secret Service (S/S) was contacted on 12/11/91 concerning [ ] SA [ ] provided information that the S/S had contacts with [ ] on three occasions in 1986. SA [ ] requested that any investigation, which was conducted, be forwarded to the S/S in Sacramento.

b6  
b7C

SA [ ] contacted SA [ ] at FBIHQ, VCU, concerning [ ] and her threats. After being apprised of the facts, SA [ ] requested the appropriate paperwork be submitted for documentation and also to be forwarded to the S/S.

CONCERNING A PERSON WHO HAD MADE A THREAT AGAINST THE  
PRESIDENT'S WIFE, BARBARA BUSH.

[REDACTED] DISPATCHER, FDPS, HAD RECEIVED  
APPROXIMATELY SIX OR SEVEN TELEPHONE CALLS AT FDPS DISPATCH.  
A FEMALE CALLER, ON EACH CALL, HAD SAID, "TELL GEORGE BUSH  
THAT HIS WIFE IS GOING TO DIE!" [REDACTED] SAID THAT THESE CALLS  
WERE BETWEEN 4:15 P.M. AND 4:30 P.M. [REDACTED] CONTACTED THE  
PACIFIC BELL (PB) TELEPHONE COMPANY IN AN ATTEMPT TO IDENTIFY  
FROM WHERE THE TELEPHONE CALLS WERE ORIGINATING.

b6  
b7C

THE PB OPERATOR SAID THAT THE PERSON WAS CALLING FROM  
427-0804 AND 427-0805, WHICH WERE A NON-COIN TELEPHONE. THIS  
MEANT THAT THE PERSON WAS NOT USING A PAY TELEPHONE. [REDACTED]  
ADVISED THAT THE CALLER SOUNDED POSSIBLY LIKE A BLACK FEMALE,  
LATE 20'S TO EARLY 30'S, SLUGGISH VOICE AS IF THE PERSON WAS  
HIGH ON DRUGS AND SOUNDED "CRAZY". [REDACTED] ADVISED THAT THE  
FDPS WAS NOT DOING ANYTHING ON THE CALLS BUT WANTED THE FBI TO  
KNOW ABOUT WHAT WAS HAPPENING.

b6  
b7C

A CRISS-CROSS CHECK WAS MADE ON THE TWO PHONE NUMBERS  
WITH NEGATIVE RESULTS. SA [REDACTED] CALLED THE 427-0804 PHONE  
NUMBER AND SPOKE TO THE MOTEL 6, FRONT DESK CLERK. THE CLERK

b6  
b7C

^PAGE 3 89F-SC-17620

SAID THAT THE MOTEL 6 WAS LOCATED ON MEGELLAN ROAD IN FAIRFIELD. THE CLERK ADVISED THAT THEIR TELEPHONE NUMBER WAS 427-0800 BUT THEY HAD NUMEROUS TELEPHONES IN THE INDIVIDUAL MOTEL ROOMS AND EACH PHONE HAD A DIFFERENT PHONE NUMBER.

AN ATTEMPT WAS MADE TO CONTACT THE SECRET SERVICE IN SACRAMENTO TO INFORM THEM OF THE THREAT. A MESSAGE WAS LEFT WITH THEIR ANSWERING SERVICE, WHO ADVISED THAT SHE WOULD CONTACT AN AGENT.

SA [ ] WENT TO THE MOTEL 6 AT 2353 MEGELLAN ROAD AND CONTACTED THE MOTEL MANAGER. [ ] ADVISED THEY HAVE ABOUT 50 TELEPHONE NUMBERS FOR THE MOTEL. THESE NUMBERS ARE NOT ASSIGNED TO ANY TELEPHONE AND WORK ON A ROTARY TYPE BASES THROUGH PB. THEY COULD NOT TELL WHICH NUMBER WAS USED BY WHICH ROOM. [ ] ADVISED THAT ALL LOCAL PHONE CALLS ARE FREE AND ONLY TOLL CALLS WOULD HAVE A RECORD AS TO WHAT ROOM THE CALLS CAME. THE CALLS TO THE FDPS DISPATCHER WERE LOCAL CALLS.

b6  
b7C

[ ] WAS GIEN THE DESCRIPTION OF THE POSSIBLE CALLER. [ ] ADVISED THAT IN ROOM NO. 231, THEY HAVE A BLACK FEMALE THAT HAS BEEN MAKING CONSTANT CALLS TO THE FDPS. [ ] SAID

b7C

^PAGE 4 89F-SC-17620

THAT OFFICERS OF FDPS HAD ALREADY BEEN AT ROOM NO. 231 AT ABOUT 6:30 P.M. DUE TO A CALL FROM THE FEMALE. [ ] SAID THAT THE FEMALE DOES SEEM TO BE MENTALLY INCOMPETENT DUE TO HER ACTIONS AND BEHAVIOR. THE FDPS OFFICERS HAD ADVISED HIM THAT THEY COULD NOT TAKE HER AWAY UNLESS SHE WAS A THREAT TO HERSELF OR OTHERS. [ ] CLERK, ALSO ADVISED THAT SHE HAD RECEIVED A CALL FROM THE FEMALE'S DOCTOR IN SAN DIEGO, CALIFORNIA, WHO ADVISED HER THAT [ ] WAS MENTALLY UNSTABLE. [ ] DID NOT KNOW WHO THE PERSON WAS THAT CALLED AND COULD NOT REMEMBER THE EXACT DATE.

b6  
b7C

A CHECK WAS MADE OF THE MOTEL 6 ROOM SLIPS AND IT SHOWED THAT NO. 231 WAS BEING USED BY [ ] SAN DIEGO, CALIFORNIA, WITH LICENSE NUMBER [ ] SHE WAS DESCRIBED BY THE MOTEL PERSONNEL AS A BLACK FEMALE, 50 YEARS PLUS, 5'3" TO 5'4" TALL, 100-110 POUNDS, THIN BUILD, WITH REDDISH-BLONDE HAIR.

b6  
b7C

SA [ ] CONTACTED THE FDPS AND LIEUTENANT [ ] RESPONDED TO THE MOTEL 6. [ ] ADVISED THAT HIS OFFICERS AND HIMSELF HAD SPOKEN TO THE FEMALE IN ROOM NO. 231 ON A FEW OCCASIONS. [ ] SAID THAT ON EVERY VISIT TO THE FEMALE, SHE

b6

^PAGE 5 89F-SC-17620

MADE LIKE SHE COULD NOT SPEAK ENGLISH AND STARTED SPEAKING AT A FAST RATE. SHE SOUNDED AS IF SHE WAS SPEAKING SPANISH.

[ ] SAID THAT THE FEMALE APPEARED TO BE MENTALLY UNSTABLE BUT THEY COULD NOT TAKE HER TO MENTAL HEALTH UNLESS SHE WAS A DANGER TO HERSELF OR OTHERS. I INFORMED [ ] THAT I WANTED TO ATTEMPT TO INTERVIEW THE FEMALE CONCERNING THE THREATS. WE HAD NO EVIDENCE OTHER THAN HER POSSIBLY MATCHING THE DESCRIPTION OF THE CALLER BY THE FDPS DISPATCHER.

SA [ ] AND LIEUTENANT [ ] WENT TO ROOM NO. 231 AND KNOCKED ON THE DOOR. A MIDDLE-AGED FEMALE RESPONDED TO THE KNOCKS. SA [ ] IDENTIFIED HIMSELF BY USE OF HIS CREDENTIALS AND VERBALLY SAYING, "SPECIAL AGENT WITH THE FBI." THE FEMALE WAS ADVISED AS TO WHY THE FBI AND POLICE WERE THERE. THE FEMALE ALLOWED THEM INTO HER HOTEL ROOM. THE FEMALE PROVIDED A CALIFORNIA DRIVER'S LICENSE, NUMBER [ ] WHICH IDENTIFIED HER AS [ ]

[ ] WAS ADVISED THAT SOMEONE HAD CALLED THE FDPS DISPATCHER AND HAD MADE THREATENING COMMENTS TOWARD THE PRESIDENT'S WIFE, BARBARA BUSH. [ ] DENIED THAT SHE HAD MADE ANY TELEPHONE CALLS SAID THAT SHE HAD BEEN SLEEPING. (THE MOTEL MANAGER HAD

[ ] WOULD NOT PROVIDE ANY INFORMATION ON HERSELF AND BECAME ARGUMENTATIVE AND DEFENSIVE. [ ] SAID THAT SHE WAS NOT PART OF THE USA AND THAT EVERYONE WAS GOING TO DIE. SHE DID NOT CARE ABOUT THE USA, THE GOVERNMENT, OR THE PEOPLE. SHE KEPT ON TALKING ABOUT EGYPT AND HER DISLIKE FOR AMERICA. SHE WOULD SPEAK ENGLISH, THEN START SPEAKING IN GIBBERISH. [ ] WAS VERY DEFENSIVE AND LOUD. SHE THEN ASKED US TO LEAVE HER ROOM, AS WE WERE ALREADY LEAVING.

The following investigation was conducted by Special Agent (SA) [ ] at Fairfield, California:

b6  
b7C

On December 10, 1991, SA [ ] received a telephone call from [ ] Dispatcher, badge number [ ] with the Fairfield Department of Public Safety (FDPS), Fairfield, California, concerning threatening telephone calls that their Police Department had received.

[ ] advised that in the span of fifteen minutes between 4:15 p.m. and 4:30 p.m. she had received approximately six to seven telephone calls from a female caller. The female caller had stated, "Tell GEORGE BUSH that his wife is going to die." The caller would hang up the telephone. [ ] had contacted the PACIFIC BELL (PB) telephone operator who had placed the call through for the caller. Per [ ] the PB operator advised that the female caller was calling from 707/427-0804 and 707/427-0805.

b6  
b7C

The operator also indicated that the caller was not calling from a coin phone. Per [ ] this meant that the female caller was not calling from a pay telephone. [ ] advised that the female caller was smart enough not to use the 911 phone lines which could be traced back to the caller's exact telephone number. The operator had also informed [ ] that the female caller on one occasion had asked the operator to patch her through to the Suisun City Police Department. [ ] said that she had checked their CRISS CROSS directory for the two telephone numbers that the operator had given her. The telephone numbers did not come up in the CRISS CROSS directory. [ ] described the female caller as possibly being black, late twenties, early thirties, with a sluggish voice and the female caller sounded high as if she was on drugs and sounded also possibly "crazy".

b6  
b7C

[ ] advised that the FDPS was at this point in time not doing anything to locate the caller and was advising the FBI for whatever purpose deemed necessary.

b6  
b7C

A check was made on the two telephone numbers in the HAINES and PACIFIC BELL CRISS CROSS directories. No address was found for either telephone number. SA [ ] called the 427-0804 phone number and spoke to the female who identified herself as a clerk at the MOTEL 6 on Magellan Road in Fairfield, CA. The clerk said that the telephone number at the hotel was 427-0800 but they had numerous telephones in each individual motel room and each telephone had a different phone number.

An attempt was made to contact the United States Secret Service (USSS) in Sacramento, California, but no one was at the office. A message was left with their answering service who advised that she would contact an agent and have the agent contact the FBI.

SA [ ] went to he MOTEL 6 at 2353 Magellan Road and contacted the Motel Manger, [ ] advised that they have approximately fifty telephone numbers for the motel. These numbers are not assigned to any telephone but work on a rotary type base through PB. They could not tell which number is used by which room. [ ] advised that all local phone calls are free and only toll phone calls would have a record as to what room the calls came from. The telephone calls to the FDPS dispatcher were local telephone calls.

b6  
b7C

[ ] was given a description of the possible caller. [ ] advised that in room number 231 he had a black female who had been making constant telephone calls to the FDPS. [ ] said that the officer of FDPS had already been at the room number 231 at approximately 6:30 p.m. due to a call from the occupant. [ ] said that the female in room 231 seems to be mentally incompetent due to her actions and behavior. The FDPS had advised [ ] that they could not take the female away unless she was a threat to herself or others.

b6  
b7C

[ ] front desk clerk, also advised that she had received a telephone call from the female's (Room 231) doctor from San Diego, California, who had advised her [ ] that the female was mentally unstable. [ ] did not know who the person was that called and could not remember the exact date.

b6  
b7C

A check was made of the MOTEL 6 room slips and it showed that room number 231 was being used by [ ] of [ ] San Diego, California with California Driver's License number [ ] was described by the motel personnel as being:

RACE:	Black
SEX:	Female
AGE:	50 plus
HEIGHT:	5'3" to 5'4" tall
WEIGHT:	100 to 110 pounds
BUILD:	Slim
HAIR:	Reddish blonde.

SA [ ] contacted FDPS and Lieutenant [ ] responded to the MOTEL 6. Lt. [ ] advised that his officers and himself had spoken to the female in Room 231 on a few occasions. [ ] said that on every visit to the female she made as if she could not speak English and started speaking at a fast rate. She sounded as if she was speaking Spanish. [ ] said that the female appeared to be mentally unstable but they could not take her to a mental health clinic unless she was a danger to herself or others.

b6  
b7C

SA [ ] informed Lt. [ ] that he wanted to attempt to interview the female concerning a few threats that had been made against the President's wife. There was no evidence that she had made the calls other than her possibly matching the description of the caller which the FDPS Dispatcher had given.

SA [ ] and Lt. [ ] went to Room 231 and knocked on the door. A middle-aged female responded to the knocks. SA [ ] identified himself by using his credentials and verbally saying, "Special Agent with the FBI."

b6  
b7C

The female was advised as to why the FBI and police were there. The female allowed both of them into her hotel room. The female provided a California Driver's License number [ ] which identified her as [ ]

[ ] was advised that someone had called the FDPS Dispatcher and had made threatening comments toward the President's wife, BARBARA BUSH. [ ] denied that she had made any telephone calls and said that she had been sleeping. (The hotel manager had told us that [ ] had been using her phone before the FBI arrived.) [ ] then said that KHADAFI would get SA [ ] and Lt. [ ] and that they would be in trouble. [ ] said that she was from Egypt and then started speaking gibberish which was consistent with what Lt. [ ] had encountered on prior visits with [ ] would not provide any other information on herself and became argumentative and defensive.

b6  
b7C

[ ] said that she was not part of the United States of America (U.S.) and that everyone was going to die. [ ] did not care about the U.S., the government, or the people. She kept on talking about Egypt and her dislike for America. She would speak English and then started speaking in gibberish or mumbling which was incoherent. [ ] was informed that if it was she or someone else who made the telephone calls they could be arrested for threatening the President or his family. [ ] constantly

b6  
b7C

denied making any telephone calls and making any threats. [ ] as very defensive and loud. [ ] then asked SA [ ] and Lt. [ ] to leave her room.

b6  
b7C

Due to the fact that it could not be determined where the telephone calls exactly came from and it could not be shown that [ ] had been responsible for the telephone calls, [ ] was not arrested. [ ] did not appear to be a threat to herself or others. [ ] did appear to be somewhat mentally unstable due to her digressing, being argumentative, defensive, and speaking incoherently.

SA [ ] contacted SA [ ] of the U.S. Secret Service (USSS) on December 11, 1991, concerning [ ] SA [ ] provided information that the USSS computer system showed contacts with [ ] on three occasions in 1986. SA [ ] requested that any investigation which was conducted be forwarded to the USSS office in Sacramento, California.

b6  
b7C

SA [ ] contacted SA [ ] at FBIHQ, Violent Crimes Unit, concerning [ ] and threats which someone had made against the President's wife. After being apprised of the facts, SA [ ] requested that appropriate paperwork be submitted for documentation and also to be forwarded to USSS.

SA [ ] had contacted the Suisun City Police Department (SCPD), the Fairfield Department of Public Safety, and the Solano County Sheriff's Department (SCSD) concerning [ ] At the SCPD, [ ] had four 5150 (Mentally Unstable or Incompetent) contacts in which she was taken into custody for her and others safety.

[redacted] dispatcher, FDPS, had received approximately six or seven telephone calls at FDPS dispatch. The female caller, during each call, had said, "Tell George Bush that his wife is going to die!" [redacted] said that these calls were between 4:15 P.M., and 4:30 P.M. The PB operator said that the person was calling from 427-0804 and 427-0805, which were from a non-coin telephone. [redacted] advised that the caller sounded possibly like a black female, late 20's or early 30's, with a sluggish voice as if she were high on drugs, and sounded "crazy". [redacted] advised that they did not get any information from PB but determined that the FBI should be called. A criss-cross check was conducted on the two phone numbers with negative results. A telephone call was placed to the (707) 427-0804 phone number and the person who spoke identified herself as the Motel 6 front desk clerk. The clerk said that the Motel 6 was located on Magellan Road in Fairfield, California. The clerk advised that their telephone number at the office was (707) 427-0800, but they had numerous telephones in the individual motel rooms and each telephone had a different phone number.

An attempt was made to contact the United States Secret Service (USSS) in Sacramento, California, to inform them of the threat. A message was left with their answering service, which said that they would contact an agent. Due to the fact that no other information had been received by FDPS, it was determined that further investigation was warranted to determine the source of the telephone calls.

SA [ ] went to the Motel 6 at 2353 Magellan Road, Fairfield, California, and contacted the motel manager, [ ]. [ ] advised that they have approximately 50 telephone numbers for the motel, and that there was no way for him to tell which telephone had what telephone number. The numbers are not assigned to any telephone and work on a rotary-type basis through PB. They could not tell which number was used by which room. [ ] advised that all local phone calls are free from the rooms and only toll calls would have a record showing what room the calls were made from. The calls to the FDPS dispatcher were local telephone calls. As far as [ ] knew, each telephone number would be at the top of the rotary and as each room used a telephone, the numbers would be rotated from the top to the bottom and likewise until the original number ended up at the top.

[ ] was given the description of the possible caller. [ ] advised that in room number 231 there was a black female that has been making constant telephone calls to the FDPS. SA [redacted] and Lieutenant [redacted] went to room 231 and knocked on the door. A middle-aged female responded to the knock. The female was advised of the reason why the FBI and police were there. RE: [redacted]  
Docket no# [redacted]

United States Supreme Court  
office of the Chief justice  
Washington D.C. 20020

This letter is in letting you sorry ass, shiftless i.e. trifling meaningless purposeless, white is superior thinking punks; that I am in state prison in the state of new jersey, and I am here illegally. I have tried time and time again to have the federal court to move on this case, and have run into a wall each and every time.

This is what I am going to do in the matter; Mr. Bush, rode a black inmate back to office, so then it is only fitting that I use that sorry ass bigot, and ride his ass out of prison.

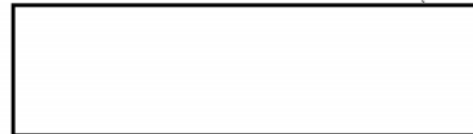

It seem to me that because of what Mr. Bush did, white people now have the feeling that it is ok to disrespect black people; hell it has gotten so bad we now have judges playing games with the law, when it comes to applying it to the rights of black people. Never did I believe that I would see something this archaic, and bigoted playing out in one of our court rooms in this country.

Mr. Chief justice: I spit upon you and your court. I violate each and all you hold dear; I tell you looking you in the eye, my feeling come from the heart I am going to kill you, and fuck you in the ass before your body gets cold.

Mr. Bush: Tell that beat up old bitch you call a wife I will take a ball pin hammer, and beat the top of her head until it gets very soft bigoted motherfucker.

Now then try to act upon this out and out braking of the law, and that sorry ass superior court judge will come down out of that court house were he is playing games with the law.

White Supremacy right?
